VERY cent you spend Ever the provof Calimot might as well be thrown away. You don't get a thing for it. You carry to the law ming strength or greater purity than are offered in Calumet.

It is made in the world's largest, best equapped and most sanitary Baking Powder Factories.

Contains only such ingredients as have been officially endorsed by the U. S. Food Authorities.

No matter what you pay you can't secure as much in sound baking powder quality.

On the other hand—you can buy a cheaper baking powder a little lower in price than Calumet -and much lower in merit. That's the worst kind of false economy.

Calumet pever fails. Every baking is perfectly raised - sweet, even and tasty. Used by millions of housewives and is

the largest selling brand in the world. A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.
